

## KANSAS MEDICAID STATE PLAN

Attachment 4.19D

Part I

Exhibit A-1

Page 8

(A) A legal guardian, conservator, or representative payee as designated by the social security administration; or

(B) any person who is designated in writing by the resident to manage the resident's personal funds and who is willing to accept the designation.

(38) "Resident assessment form" means the document that meet these requirements:

(A) Is jointly specified by the Kansas department of health and environment and the agency;

(B) is approved by the health care finance administration; and

(C) includes the minimum data set.

(39) "Resident assessment instrument" means the resident assessment form, resident assessment protocols, and the plan of care, including reassessments.

(40) "Resident day" means that period of service rendered to a resident between census-taking hours on two successive days and all other days for which the provider receives payment, either full or partial, for any Kansas medical assistance program or non-Kansas medical assistance program resident who was not in the nursing facility. Census-taking hours shall consist of 24 hours beginning at midnight.

(41) "Resident status review" means a reassessment to identify any nursing facility resident who may no longer meet the level of care criteria.

(42) "Routine services and supplies" means services and supplies that are commonly stocked for use by or provided to any resident. The services and supplies shall be included in the provider's cost report.

(43) "Sale-leaseback" is a transaction in which an owner sells a facility to a related or non-related purchaser and then leases the facility from the new owner to operate as the provider.

(44) "Severe and persistent mental illness" means that an individual conforms to the following requirements:

(A) Meets one of the following criteria:

(i) Has undergone psychiatric treatment more intensive than outpatient care more than once in a lifetime; or

(ii) has experienced a single episode of continuous, structured, supportive residential care other than hospitalization for a duration of at least two months; and

(B) meets at least two of the following criteria, on a continuing or intermittent basis, for at least two years:

(i) Is unemployed, is employed in a sheltered setting, or has markedly limited skills and a poor work history;

(ii) requires public financial assistance for out-of-hospital maintenance and may be unable to procure this assistance without help;

(iii) shows severe inability to establish or maintain a personal social support system;

Page 10

(iv) requires help in basic living skills; or

(v) exhibits inappropriate social behavior that results in a need for intervention by the mental health or judicial system.

(45) "Specialized mental health rehabilitation services" means one of the specialized rehabilitative services that provide ongoing treatment for mental health problems and which are aimed at attaining or maintaining the highest level of mental and psychosocial well-being. The specialized rehabilitative services shall include the following:

(A) Crisis intervention services;

(B) drug therapy or monitoring of drug therapy;

(C) training in medication management;

(D) structured socialization activities to diminish tendencies toward isolation and withdrawal;

(E) development and maintenance of necessary daily living skills, including grooming, personal hygiene, nutrition, health and mental health education, and money management; and

(F) maintenance and development of appropriate personal support networks.

(46) "Specialized services" means inpatient psychiatric care for the treatment of an acute episode of mental illness.

(47) "Swing bed" means a hospital bed that can be used interchangeably as either a hospital bed or nursing facility bed.

## KANSAS MEDICAID STATE PLAN

Attachment 4.19D

Part I

Exhibit A-2

30-10-14. Prospective reimbursement. Providers participating in the medicaid/medikan program shall be reimbursed for nursing facility services or nursing facility for mental health services through rates that are reasonable and adequate to meet the resident-related costs which must be incurred by efficiently and economically operated facilities in order to provide care and services in conformity with applicable state and federal laws, regulations, and quality and safety standards. Because even efficiently and economically operated facilities may incur some excess or inefficient costs, in this prospective payment system the identification of efficiently and economically operated facilities by the procedures and limitations of this article shall be an aggregate determination. (Authorized by and implementing K.S.A. 1997 Supp. 39-708c; effective May 1, 1985; amended, T-30-10-1-90, Oct. 1, 1990; amended Jan. 30, 1991; amended Aug. 10, 1998)
